DISBURSEMENT PROCEDURES

INTRODUCTION

The General rule is that proceeds of the Loan are not to be disbursed upon signing the Loan Agreement or immediately after its effectiveness. Such disbursements shall only be made to meet or cover approved expenses in connection with the project actually expended or to be expended, supported by adequate documents in compliance with the terms of the Loan Agreement.

Conditions to be met prior to the Commencement of Withdrawals from the Loan:

1. Effectiveness of the Loan Agreement.

Satisfactory evidence that all conditions of effectiveness set forth in the Loan Agreement have been fulfilled must be furnished to the Fund. The Loan Agreement will be deemed to be effective on the date upon which the Fund dispatches to the Borrower a letter/fax or a telex confirming that the evidence presented fulfills the conditions of effectiveness.

2. Authorization for Withdrawals

The Borrower shall furnish the Fund with a formal document evidencing the authority of the person or persons who will sign withdrawal applications with specimens of their signatures duly authenticated by the representative of the Borrower in compliance with the terms of the Loan Agreement on the prescribed form (Appendix 1). In the event that more than one person are so authorized, the representative of the Borrower shall indicate whether they may sign individually or jointly.

3. Contracts.

A duly signed copy of each contract, purchase order or work order eligible to be financed totally or partially from the proceeds of Fund’s Loan has to be submitted to the Fund.

List of Goods to be financed from the proceeds of the Loan:

Withdrawals from the proceeds of the Loan are made to cover cost of goods and services according to the financial share of the fund to each allocated item specified in the List of Goods annexed to the Loan Agreement. The List of Goods may not be amended without the agreement in writing of the Fund and the Borrower. Also, the Fund may adjust the financial share of said List of Goods to meet amended request as well use the contingency when is needed to such adjustment.
Cases of Withdrawals from the Loan:

Amounts may be withdrawn from the proceeds of the Loan in any of the following cases:

Case I: Reimbursement of payments already made.

Case II: In settlement of an outstanding payment.

Case III: Application for issuing an agreement to reimburse which may be:

(a) Qualified Agreement to Reimburse, or
(b) Irrevocable Agreement to Reimburse.

In exceptional cases special arrangements to make withdrawals from the proceeds of the Loan may be agreed upon by the Borrower and the Fund.

Forms of Withdrawal

In each of the above Cases the Borrower has to submit a typed withdrawal application using the special forms prescribed for each Case. Supporting documents should also be attached to each application.

Numbering of Withdrawal Applications:

Each withdrawal application submitted to the Fund should be given a consecutive number irrespective of the Case used. Supplementary numbers may be added to indicate the withdrawal Case and the consecutive number of the application in each such Case.

Withdrawal Applications by Telex:

In cases calling for a prompt payment to the beneficiary or for issuing an agreement to reimburse, the Borrower may with prior consent from the Fund dispatch a withdrawal application by telex provided that:

1. The telex is tested.
2. The telex includes all basic information required by the Fund.
3. The Fund has already received prior information enabling it to verify said telex.
4. It should be stated in the telex that the written withdrawal application and supporting documents have been mailed.
Important dates for withdrawal of the proceeds of Loan:

1. **Loan Agreement signing date:** this date must be referred when submitting a withdrawal application.
2. **Effective date:** is the date when the Fund finds the satisfactory evidence is approved for declaring the loan effective.*
3. **Retroactive date:** the date, which the Borrower is not allowed to withdraw before it.
4. **Withdrawal Expiry date:** is the date which assigned in the Loan Agreement after the borrower is not allowed to withdraw. Unless it has been agreed between the Fund and the Borrower in the Agreement to revise this date.

How to avoid delay in processing withdrawal applications:-

Since the Fund makes sure that the time it takes to process withdrawal applications to be minimal, if said withdrawal applications contain errors or missing documents, the process will take longer. Thus, carefully following the booklet procedure makes the withdrawal application process faster. We list hereunder ways of avoiding errors that cause delay in processing withdrawal applications:-

1. Providing the proper documents and sending a signed copy of contract/purchase order to the fund once it is signed along with the Fund’s approval if available.
2. Applications must be signed by the authorized person(s). The Fund must be informed in case of any change in the authorized specimen.
3. Using the proper case in each withdrawal application.
4. Supporting documents referred in withdrawal applications must be relevant and enclosed thereto.
5. The payment instructions must be correct.
6. The withdrawal expiry date must be still valid. A request may be made to the Fund to extend the withdrawal expiry date if needed.

* Refer to paragraph of effectiveness of the loan page 3.

CASE III

ISSUING AN AGREEMENT TO REIMBURSE

Where the Borrower causes a Letter of Credit to be issued in favour of the Beneficiary for payment of the value of goods/services and in case the Correspondent bank* (advising-confirming) requests the issuance of agreement to reimburse by the Fund in respect of such Letter of Credit, the Borrower may request the Fund to issue an agreement to reimburse the bank for payments effected by the said bank under and in accordance with the Letter of Credit. The said Agreement may be either Qualified or Irrevocable.

CASE III (A)

ISSUING A QUALIFIED AGREEMENT TO REIMBURSE

The expression ‘Qualified’ means that the Fund shall not be obliged to reimburse the correspondent bank for the amounts paid by it against a letter of credit covered by the Fund’s Qualified Agreement to Reimburse if such payments were made after the date of cancellation of the Loan or after the date of suspension of withdrawal from its proceeds in accordance with the terms of the Loan Agreement.

PREPARATION OF WITHDRAWAL APPLICATIONS:

Firstly: Form and contents of a Withdrawal Application:

1. The withdrawal application should be typed either in Arabic, English or French, and consists of:
   a. The formal application typed of Form No. (3A-1) attached hereto.
   b. A summary sheet(s) typed on Form No. (3A-2) attached hereto.
   c. A legible copy of the letter of credit which has been issued by the issuing bank.**
   d. A signed copy of the contract or purchase order according to which the payments are to be made, should be submitted to the Fund, in case such a copy has not already been provided.

2. The formal application and the summary sheet(s) should be signed by the person or persons authorized to sign such application on behalf of the Borrower.

* The correspondent bank is the bank who advises or confirms the Letter of Credit.

** The issuing bank is the bank issuing the L/C and is ordinarily in the country of the Borrower.
3. The correspondent bank is required to submit to the Fund an Application to issue an agreement to reimburse on Form No. (3A-3) attached hereto. The issuing bank in the country of the Borrower shall provide the correspondent bank with copies of the form to be used for the purposes of this application. This application is not considered a formal application to issue an agreement to reimburse.

**Secondly: Preparation of Summary Sheet/s:**

The summary sheet(s) should be completed with all the required information and shall particularly indicate the number and description of the respective item in the list of goods set forth in the Loan Agreement and the detailed breakdown of each item, if any.

**PROCESSING WITHDRAWAL APPLICATIONS:**

The Fund shall, upon the receipt of the application examine such application. If the application is approved, the Fund shall forward the original and a copy of the Qualified Agreement on Form No. (3A-4) attached hereto together with a copy of the proposed Letter of Credit to the correspondent bank. The Fund may issue the said Agreement Prior to receipt of the correspondent bank’s application on Form No. (3A-3) referred to in para (3) firstly above. Upon receipt by the Fund of a copy of the said Agreement duly signed by the correspondent bank the Fund shall forward a copy thereof to the borrower. In case the Fund for any reason, does not approve the withdrawal application, the Borrower shall be informed in writing of the reasons for such disapproval.

**DISBURSEMENT UNDER LETTERS OF CREDIT**

**Firstly:** The correspondent bank shall promptly after each payment effected under and in accordance with the said Letter of Credit covered by the Fund’s Qualified Agreement to Reimburse submit to the Fund a typed report evidencing payment with a request for reimbursement of the amount so paid on Form No. (3A-5) attached hereto, together with a copy of the Supplier’s invoice. In case the bank’s report includes no reference to the shipping documents against which payment has been made, the correspondent bank shall provide the Fund with a copy of the Bill of Lading.

**Secondly:** The Fund shall pay the amount requested directly to the Correspondent Bank under advice to the said bank and the Borrower. Upon receipt by the Fund of the relevant debit advice from its bank, the Fund shall advise the Borrower accordingly giving details of the amount paid, currency and date of payment and the equivalent amount in Kuwaiti Dinars charged to the Loan account. In order to minimize the time taken between the date of payment of amount due to the supplier by the correspondent bank and date of reimbursement of the said bank by the Fund, the Fund may, considering the interest of the Borrower, accept a tested telex request submitted in the form approved by the Fund provided:
a) The correspondent bank shall have previously agreed that a tested telex in the prescribed form constitutes a signed request for reimbursement of the amount paid under and in accordance with the terms of the Letter of Credit mentioned in the telex.

b) The Fund shall have received an affirmation by the Correspondent Bank that it has effected payment of the said amount under and in accordance with the terms of the said Letter of Credit and that it has transmitted to the Fund by mail, the bank’s report of payment and request for reimbursement referred to in the Firstly above, together with a copy of the requested documents.

Thirdly: The Fund shall not pay any amount to the Correspondent Bank in case of breach of any of the terms of the Letter of Credit or expiry of its validity except where payment has been effected by the bank pursuant to a commonly accepted banking practice or upon the Fund’s and the Borrower’s approval.

AMENDMENT OF THE LETTER OF CREDIT:

The Letter of Credit may be amended as follows:

1) The Borrower shall submit to the Fund an application on Form No. (3A-6) attached hereto with a copy of the proposed amendment. In case of urgency special arrangements may be made for dispatch of the Application for amendment by fax or telex, with the originals sent later by mail.

2) Upon receipt of such application the fund shall examine it and if approved the fund shall notify the correspondent bank, the issuing bank and the Borrower, accordingly by letter or telex as the case may be.
